Join us for the largest training event of the year!

Learn new ideas from fantastic instructors and enjoy the fellowship of other adult volunteers and talented youth leaders from all over the state.

And don't worry about eating breakfast before coming to the University of Scouting 2013 – you can grab it there. The Order of the Arrow will be offering a pancake breakfast again this year. For only $3 you can get 2 pancakes and 2 sausage links and we will provide all the fixings. We will also have **FREE COFFEE for the first 2 hours of the morning.** If you have pre-registered for the University as suggested, take your free time before classes begin to have a satisfying breakfast prepared by Scouting's National Honor Society.

Over 150 classes from which to choose!

On-line registration available November 19, 2012

NOTE:
THE COLLEGE OF COMMISSIONER SCIENCE DEGREE PROGRAM IS A STAND ALONE TRAINING PROGRAM THAT WILL BE HELD IN APRIL 2013

A LETTER FROM THE PRESIDENT

Fellow Scouters and Scouts,

Welcome to the University of Scouting 2013! It's great to be returning to East River High School for this event and we are ready to make this University of Scouting even better than ever. In the spirit of improving upon last year's event, we have made a few changes based on the feedback from you that the President's Cabinet believes will better serve your needs as Unit Leaders and continue to provide the greatest and biggest day of training in Central Florida Council.

Speaking of the President's Cabinet, I must take moment to give a huge "THANK YOU!" to our Provost Cynthia Miller, all the Deans and all the Instructors that have given so much time and effort to make this a success. As you attend your courses, please take a moment to thank your Instructors and any members of the Cabinet (they will be easy to spot!). Their dedication, enthusiasm, commitment and love of Scouting is what makes University of Scouting so amazing!

As you make your plans for this great day of training, take advantage of the many opportunities the various Colleges have to offer. If you are a new leader, look for the suggested curriculum for your program level. If you are a veteran Scouter, look for a course on something that you don't know anything about and look for something that just sounds like fun! For the Youth Leader, check out the courses in the Youth College or Venturing College…you may find a surprise or two that you can bring back to your Unit.

I remember my first University of Scouting in the fall of 2002, I was a Bear Den Leader and looking for anything that could help me do a better job…boy, did I find it! Since then, I have attended or served at University of Scouting and have enjoyed each and every one. Along the way, I have learned a great many things about Scouting, Leadership, Service and Friendship. These experiences have helped me become the Scouter I am today.

For new Leaders, I hope that this years' experience is a wonderful part of your journey in Scouting. For my fellow veterans, I hope that this year recharges your spirit and inspires you to continue bringing the best program to our youth. For our Youth, I hope that your day is filled with discovery, insight and FUN that you can bring back and share in your Unit. Enjoy the day and thank you for all that you give to the Youth of Central Florida.

Yours in Scouting,

Cuong "Michael" Ngo,
President

East River High School
January 26, 2013

The University of Scouting is the largest supplemental training course offered annually by the Central Florida Council to Scouting volunteers at all levels! It's also an excellent training opportunity for youth members in selected programs. It's a day of FUN and FELLOWSHIP! The University of Scouting offers practical courses to help Scouter's lead unit activities.

Participants will have an opportunity to select from specialized and advanced training in more than one-hundred fifty (150) courses, involving numerous aspects of Scouting. More than seventy-five (75) of these courses are NEW for 2013! Experienced volunteer instructors will present programs to help you improve your skills and expand your knowledge through course selections in five different Colleges. In addition to classes, you will have an opportunity to visit Scouting-related tables, Scout Shop tables and vendor booths (well-known local attractions and other businesses that support our Scouting units) along our midway to obtain literature, purchase Scouting materials and learn valuable information about exciting program opportunities.

PLEASE NOTE: All participants must be at least eleven (11) years old and registered Boy Scouts or Venturers in order to register for and attend classes. Child care is NOT available during the University of Scouting. It is highly recommended that leaders arrange for the care of their children by the other non-leader parents who do not plan to attend the University.

EARN YOUR SCOUTING DEGREE!

First time University of Scouting students have the opportunity to earn their "Associate" Scouting Degree. It's simple and chances are you were planning on doing it anyway. **First, choose your college –** more than likely, you'll want to work for your degree in the College for the program in which you are a leader. You can choose from General Studies, Cub Scout, Boy Scout or Venturing colleges. Youth participants can earn their degree in Youth College. To earn the **ASSOCIATE SCOUTING DEGREE** you'll need to **select three (3) classes, or take classes totaling three (3) hours, in the college in which you want to earn your degree. Next, select one (1) class in the General Studies College and select another class in any of the colleges**. **NOTE:** ***Youth seeking any degree may ONLY take classes from the YOUTH College listings and are NOT subject to the requirements to take classes in the General Studies or any other adult college. ADULTS MAY NOT TAKE YOUTH COLLEGE CLASSES.***

Second year students may earn a "Bachelor" of Scouting Degree in the college of their choice – it does NOT have to be the same college in which you earned your Associates Degree (other than for youth who are restricted to earning their degrees through the Youth College and may NOT take classes outside the Youth College.) To earn the **BACHELOR SCOUTING DEGREE select three (3) classes or classes totaling three (3) hours in the college in which you want to earn your degree. Next, select one (1) class in General Studies College and another class in any college of your choice.**

Third year students may earn a "Master" of Scouting Degree in the college of their choice. **PLEASE NOTE – There are pre-requisites that must be completed before attending the 2013 University of Scouting including the completion of the Trainers' EDGE course.** Please see the University of Scouting page on the council website for complete details (http://www.cflscouting.org/LinkClick.aspx?fileticket=IlvtVKXgcIl%3d&tabid=455) that include information on COURSE SELECTIONS, the MASTER'S SEMINAR, and your PRE-COORDINATED SERVICE OPTIONS as Instructor or Support Staff on the day of the 2013 University of Scouting. As with the Bachelor's program, your Master's Degree does NOT have to be earned in the same college that you earned your Associate or Bachelor Degree. YOUTH seeking a Master's Degree will earn their degree in the Youth College ONLY. Youth candidates MUST meet the Trainer's EDGE pre-requisite as well. Specific details for Youth Candidates are also found on the council website referenced above and include COURSE SELECTIONS, the MASTER'S SEMINAR, and the PRE-COORDINATED SERVICE OPTIONS as Instructor or Support Staff on the day of the 2013 University of Scouting. The PRE-COORDINATED SERVICE OPTIONS for BOTH Youth AND Adult Candidates will be facilitated through the Graduate Studies Dean PRIOR TO the University of Scouting. This will insure that all Master's Candidates complete this requirement either prior to or during the day of the 2013 University of Scouting.

Students who have earned their Associate's, Bachelor's and Master's Degrees may begin working on a DOCTOR OF SCOUTING DEGREE in the college of their choice (EXCEPT for Youth who must earn this degree in the Youth College as well). **This is a TWO-YEAR program in which you will be guided during your first year in the development of a new course that you will present during your**

second year in the program. PLEASE NOTE – There are pre-requisites that must be completed before attending the 2013 University of Scouting including the completion of the Trainer's EDGE course. Please see the University of Scouting website for complete details: (http://www.cflscouting.org/LinkClick.aspx?fileticket=IlvtVKXgcIl%3d&tabid=455) covering ALL requirements for first year Doctoral Candidates.

The deadline for declaring for the Master's and Doctoral Programs for the 2013 University of Scouting was June 30, 2012. Candidates have already been contacted by the University President, Mike Ngo, with follow-up by Stephie Hendry, Dean of the PhD 101 Program, Dr. Wes Estey, PhD 102 and PhAD 202 Programs, and Lucy Slaton, Master's Program.

COST

Pre-registration cost is $10.00 per person (ON-LINE registration / $12.00 per person for mail, over-the-counter or fax registration.) This includes an event patch, your diploma, as well as a pin for your patch after you earn your degree. Local area vendors may provide various meal options for lunch at a reasonable price or you may pre-order lunch from the OA Grill. Payment can be made by check, money order, or credit card. **All courses are offered on a first-come, first-served basis and all are limited to a 30-person capacity.** Register promptly to insure that you get the courses you want. Please make your selections (including a 1st, 2nd, and 3rd choice), complete the enclosed registration form and submit it using one of the options listed.

Please make sure to indicate if you are seeking to earn a Scouting Degree.

Mugs, shirts, and similar souvenir items will be available throughout the day for purchase at the Scout Shop tables.

UNIVERSITY OF SCOUTING PATCH SYMBOLOGY

The University of Scouting symbol of higher Scouting education has some distinct features. Although the logo does not change from year to year, the colors do change each year. It is the honor of the President of the University of Scouting to select the color of the patch. This year our President, Cuong (Mike) Ngo, has chosen olive green and sky blue, the colors for Tulane University**,** in honor of his alma mater.

The logo bears the universal symbol of Scouting in the center to represent all the Scouting programs. The two stars represent truth and knowledge. The Greek words below the two stars spell out "not for one's self, but for one's own." The banner below the universal symbol simply states the year the first University of Scouting was conducted in the Central Florida Council.

THE DEGREE PROGRAM

When you earn an Associate in Scouting Degree, you will receive a pin in the shape of a star that is to be worn over the left star of the patch.

When you earn a Bachelor in Scouting Degree, you will receive another pin in the shape of a star that is to be worn over the right star of the patch.

To the left of the 2012 University of Scouting patch shown above are the pins that are awarded for an Associate or Bachelor in Scouting. The color signifies the college in which the degree was earned.

- YELLOW = CUB SCOUTS
- RED = BOY SCOUTS
- GREEN = VENTURING
- WHITE = YOUTH COLLEGE
- BLUE = GENERAL STUDIES

Students who complete the requirements needed to earn their Masters Degree will receive a scroll pin that should be placed over the scroll on the University patch. The scroll pins are shown above and to the right of the University of Scouting patch.

Students who will be completing the Doctoral Program begun in 2012 will receive the Doctoral pin that should be placed over the fleur de leis on the patch. The Doctoral pin is also shown above.
