I understand this a volunteer position, and that I will receive only service hours for my time given during Winter Camp.

I know of no reason why my health would limit full Camp participation, and if selected I will provide an up-to-date physical examination. I will be a registered member of the BSA. If selected, the Boy Scouts of America can expect my loyalty to management, its policies, programs and my full cooperation with other members of the staff. This application needs your current Unit Leader and Parent Guardian Signature for anyone under the age of 18 as of November 1st, 2017. If application does not have both it will be returned and not considered.
