Way**

Combined Federal Campaign Agency # 83962

The Central Florida Council is extremely grateful for the many gifts of talent, time and financial resources. Without all three, we could not continue to serve the youth who directly benefit from the values of the Scouting movement. Membership in the Boy Scouts of America during childhood, adolescence, and adulthood plays a major role in shaping character and values and the use of these values.

During this year's Combined Federal Campaign, please consider designating your pledge to the **Boy Scouts of America**
