# Scouting & Heart of Florida United Way # 8009

The Central Florida Council is extremely grateful for the many gifts of talent, time and financial resources. Without all three, we could not continue to serve the youth who directly benefit from the values of the Scouting movement. Membership in the Boy Scouts of America during childhood, adolescence, and adulthood plays a major role in shaping character and values and the use of these values in daily life.

**During this year's United Way Campaign, please remember to donor-designate your pledge to the Boy Scouts of America**

We do not receive funds from the general pool of money -- the only way we receive funds is if you designate to the BSA specifically.

Thank you for your help and support!
