

The training listed below is for all Cub Scout leaders unless stated otherwise. Also required is Youth Protection. All training required for Cub Scout leaders can be found online by signing into your my.scouting.org account, clicking on My Dashboard, then Training Center, but it is highly recommended that all Cub Scout adults attend instructor-led classroom training so that questions can be answered by knowledgeable instructors. Fast Start training for all Cub Scout leader positions also in the Training Center. Not required, but recommended.
