DIVERSITY AND INCLUSION LUNCHEON

SCOUTING SERVES FAMILIES THROUGHOUT CENTRAL FLORIDA AND PROVIDES A LIFETIME OF BENEFITS.

Scouting is a movement that brings people together, allowing them to learn from one another and share life across differences of race, color, ethnicity, nationality, or language. It's a highly successful program that teaches young people to become service leaders in their community while addressing societal issues, just as all our honorees do. Youth in our programs improve their academic performance, increase their self-confidence and self-esteem, maintain physical fitness, and are given opportunities to serve their community. They also develop leadership skills, discipline, character, cultural understanding, and independence, among many other valuable attributes.
